

## [A Delegation from Chicago Visited the ASE](#)

The Amman Stock Exchange (ASE) CEO, Mr. Nader Azar, received a delegation from Northwestern University / Kellogg School of Management in Chicago / USA. This visit was part of a series of visits within a recent period. Mr. Azar presented a lecture on the most important legislative, technical, and quantitative developments in ASE. He discussed the role of capital markets institutions in facing challenges and years of provision for an attractive investment environment, especially in light of the national policy of openness. He also addressed related questions, including the role of Jordanian Capital Market, and answered questions related to foreign investment. At the end of the lecture, the ASE CEO, Mr. Nader Azar, represented the ASE.
